OUTREACH: On Wednesday, April 12, 2017, Dan Brookens represented Woodward Broadcasting at the ACE (Annual Career Expo) at Fairmont High School. Approximately 550 students from six area high schools attended. Questions were fielded by us from students regarding the radio station and broadcast industry.

KSUM/KFMC hosted the annual Spring Expo on March 2, 3, and 4th, 2017 at the Five Lakes Centre shopping mall in Fairmont. Over 65 area businesses participated this year. KSUM/KFMC maintained a booth staffed with station personnel to answer any questions about our station including employment opportunities.

During 2017 KSUM/KFMC employed one new part-time announcer, James Hodge of Truman, Minnesota. James was initially introduced to the radio station through one of the many tours we host for local groups, such as schools and Boy Scouts, that we host throughout the year.
